# Retractable sidebar

The screenshot displays the Stellic University dashboard. On the left is a retractable sidebar with a blue header containing the logo and a hamburger menu icon. The sidebar lists navigation items: Students, Programs, Courses, Pathways, Staff, and Analytics. Below these are 'QUICK LINKS' including Academic Calendar, Your Notifications, Manage Settings, and Report an Issue. The main content area has a top navigation bar with tabs for Students, Programs, Courses, Pathways, and Staff. The 'Students' tab is active, showing a search bar for 'Search advisees' and a 'Filters' section with buttons for Demographics, Programs, Performance, Advisors, Remaining, Planned, Taken, Unmatched, Status, and more. Below the filters is a 'No Selected Filter' message. A section titled '3 SAVED REPORTS' contains four report cards: 'All students' (502 students), 'Juniors with 90 units or more...' (1 student), 'CQPA less than 2.0' (7 students), and 'My Advisees'. The main section, titled '502 students', includes icons for email, download, and print, along with a 'Progress Snapshot' dropdown. It lists three student profiles: Nikko Emarad (MS in International Relations and Politics, CQPA 3.76), Michale Rowe (MS in Language Technologies, CQPA 3.81), and Samara Skiles (MS in Mechanical Engineering, CQPA 4.00). Each profile shows their degree, track, minor, and a progress bar with 'Taken', 'Planned', and 'Unplanned' counts. Samara Skiles has a 'Semester overload' warning and 'Unreviewed Changes'.

We have added more text based links to increase visibility for physically smaller features. Once a note is added, the text does not disappear.

## Search courses is given a prominent spot

The image shows a sidebar interface with three tabs: 'Tentative List', 'Progress', and 'Search Courses'. The 'Search Courses' tab is selected and highlighted with a blue underline. Below the tabs, the section is titled 'Keywords'. There is a search input field with a magnifying glass icon and the placeholder text 'Course code, title, keywords...'. Below the search field is a checkbox labeled 'Only with cleared prerequisites'. Further down, there is a section titled 'Filters' with a downward arrow icon. Under 'Filters', there are five buttons: 'Semesters', 'Counts for', 'Instructor', 'Department', and 'Attributes', followed by a 'more' button.

☐ Only with cleared prerequisites

▼ Filters

Semesters   Counts for   Instructor

Department   Attributes   more

One of the most heavily used functions of the student planner has been given its own dedicated space in the sidebar.
